Dear Commissioner:

REQUEST FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

On October 23, 2007, Applicant filed a Notice of Appeal together with a Request for Reconsideration in response to a Final Refusal issued by the Examining Attorney on April 25, 2007, in connection with the above-captioned application. The application was suspended and remanded to the Examining Attorney for consideration of Applicant's Request for Reconsideration. On November 26, 2007 the Examining Attorney issued an Office Action asserting that there issues remained which needed to be resolved by Applicant.

On February 1, 2008, Applicant filed a Supplemental Request for Reconsideration, which, Applicant believed, resolved all the issues raised by the Examining Attorney.

On March 17, 2008, and again on May 17, 2008, because the Examining Attorney had not yet been able to review the Supplemental Request for Reconsideration, Applicant filed

Requests for Extension of Time to File Appeal Brief, requesting two month extensions of time to file Applicant's Appeal Brief to May 17, 2008 and then July 17, 2008, respectively.

On May 30, 2008, the application was approved for publication by the Examining Attorney, thereby obviating the need for Applicant to file an Appeal Brief. However, on June 13, 2008 the application was withdrawn from the publication and issue section for an Official Gazette Review Query. On July 1, 2008, the previous allowance count was withdrawn.

No further notification has been forwarded by the Examining Attorney or the TTAB. Because the application was approved for publication, Applicant does not believe its Appeal Brief is due on July 17, 2008. However, in the unlikely event the Board believes that Applicant's Appeal Brief is due July 17, 2008, Applicant respectfully requests an additional two-month extension of time to file its Appeal Brief.

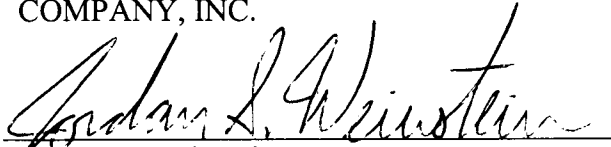

Applicant earnestly believes that its amendment placed the application in condition for allowance and obviated the need for an appeal. Because Applicant is unaware of the reason the application was withdrawn from publication, and to provide Applicant with sufficient time to consider the new issue presented, Applicant hereby requests a two-month extension of time to file its Appeal Brief.

As good cause has been shown for granting of Applicant's request for extension of time to file an Appeal Brief pursuant to TBMP §1203.02(d), a two-month extension of time to file Applicant's Appeal Brief is respectfully requested.

Respectfully submitted,

CHICAGO PNEUMATIC TOOL
COMPANY, INC.
